# TUNNELING TRIUMPHS

## TBM “Peacock” Launched from Panagal Park towards Boat Club

On December 12, 2025, CMRL launched Tunnel Boring Machine (TBM) “Peacock” on the underground stretch from Panagal Park to Boat Club Station along Corridor 4, between Light House to Poonamallee Bypass.

This TBM, with an excavated diameter of 6.67 m, was deployed to undertake a 1,898 m tunnelling drive from Panagal Park towards Boat Club, passing beneath the operational Phase I Metro tunnels near Nandanam at depths of up to 30.2 m.

Thiru. R. Ranganathan, GM (Construction), CMRL, Thiru. C. Murugamoorthy, Team Leader, GC, along with senior officials from CMRL, GC, M/s AEON Consortium, and M/s Cemindia Projects Limited (formerly ITD Cementation India Limited), were present during the occasion.

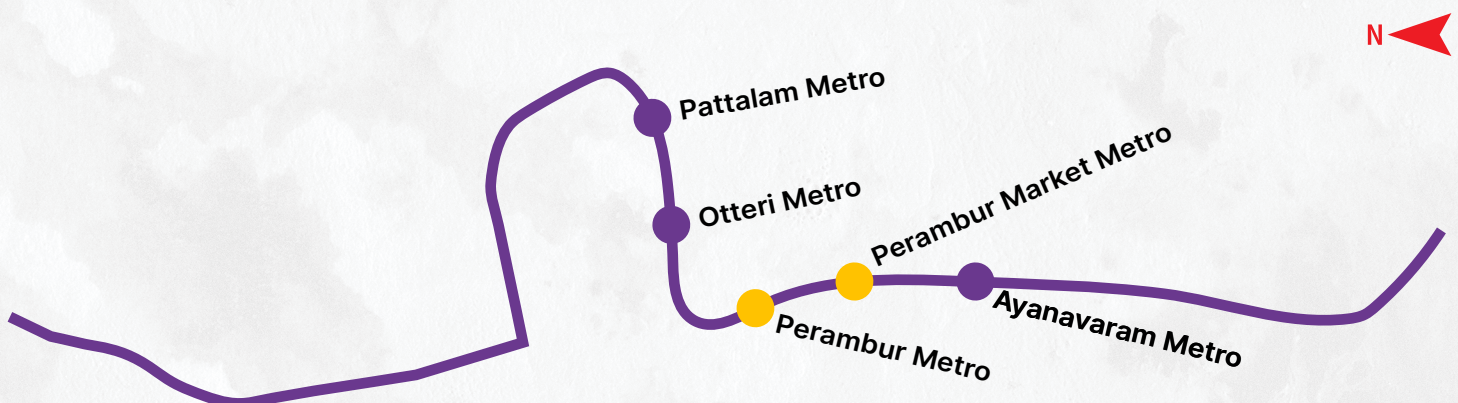

## TBM “Melagiri” Achieves Breakthrough at Perambur (South) Shaft

CMRL achieved a successful breakthrough of Tunnel Boring Machine (TBM) “Melagiri” at the Perambur South Shaft in Corridor 3 between Madhavaram and Sholinganallur, completing 861 m of tunnelling from Ayanavaram Metro Station to Perambur Station (Down Line).

The tunnelling passed through complex engineering challenges, including TBM passing beneath the operational railway tracks at Perambur Railway Station tracks and through densely populated areas, without causing any disruption to public utilities.

Senior officials from CMRL, GC and Tata Projects Limited were present during the event.

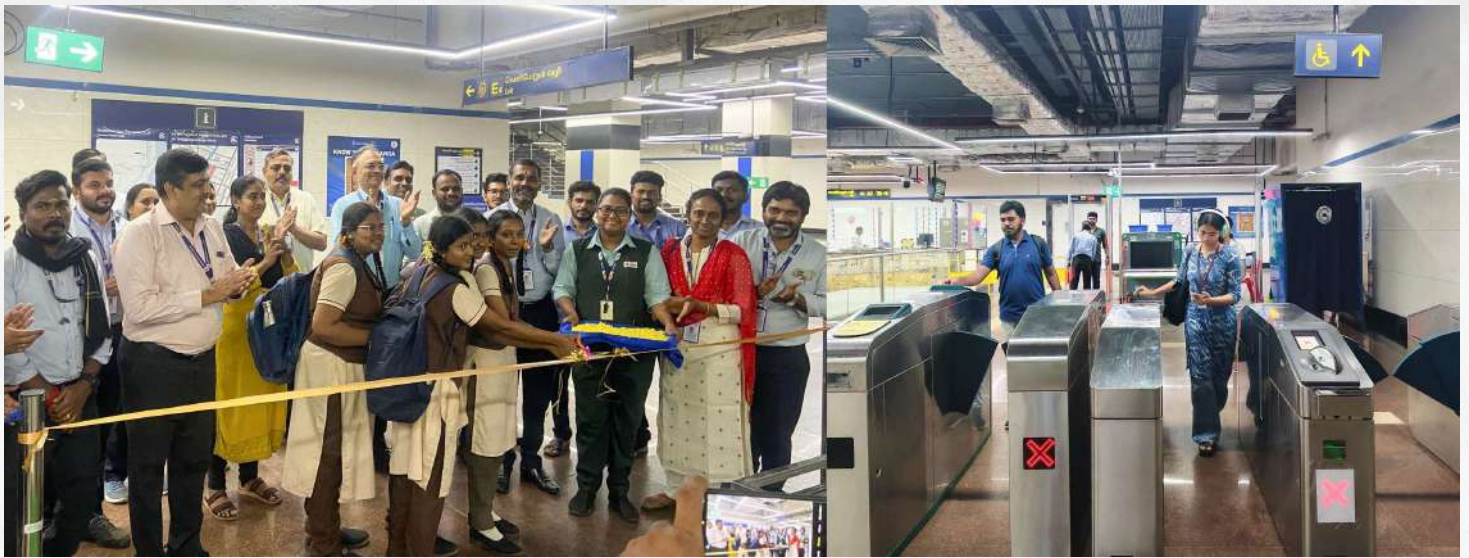

## Additional Excess Fare Office Opened at Thiyagaraya College Metro Station

On December 16, 2025, an additional Excess Fare Office (EFO) with new entry and exit gates at Entry 4 (E4) of Thiyagaraya College Metro Station was inaugurated to further enhance commuter convenience and operational efficiency.

The facility was opened by school students from a nearby school, who were among CMRL's valued passengers, in the presence of Thiru. Gopinath Mallya, Chief Advisor (O&M), Thiru. S. Satheesh Prabhu, GM (O&M), along with senior officers and other staff members from CMRL.
